RYU is a Japanese street food concept that will bring memorable and new favorites to young locals. RYU combines all favorite aspects of Japanese street food stalls with the ease of staying at your table. We offer built-in table grills where friends and family can enjoy grilling classics like okonomiyaki and takoyaki themselves or receive assistance from our staff. Choose your base batter and customize your additional toppings.

RYO will also offer stall snacks like yakitori skewers and and tornado potato. To satisfy your sweet tooth, we offer refreshing desserts like kakigori, soft serve, and taiyaki.

We have treats for your furry best friend too so bring them around and treat them to dog-friendly renditions of classic snacks!
